# HOW WE WORKS

**Accept the  
order**

**Monitoring of  
the customer's  
cargo.**

**Express  
transportation**

**Transport to  
the destination**

**We deliver on time, maintaining constant  
contact with the customer!**

We have a highly developed **MyTransic** system connected to a TMS for communication between our dispatch team and drivers. Thanks to this, our customers know exactly when the cargo will arrive at its destination.
